Dr. Carlos Bringuier
[illegible] Box 2506
New Orleans, Louisiana

Dear Dr. Bringuier:

The United States Secret Service has advised me that you wish to have returned to you a GUIDEBOOK FOR MARXISTS which Lee Harvey Oswald gave you in August of 1963.

I have asked Mr. Liebler to make arrangements for its earliest return to you through the Secret Service office in New Orleans in accordance with your request.

Your cooperation in the work of the Commission is greatly appreciated.

Sincerely,

J. Lee Rankin
General Counsel
